On 14/6/01, the Amildar
solicited orders of the Dy.

of No 665-10-0 still due
from the licensee. The
entire record was there-
afterwards refd to the
Ecce. Dtl Offr for opinion
as to whether the permission
of the above arrears to constantly
be paid by the defaulter,
could be the licensee's
claim for the permission of
the above arrears, so constantly
being paid by him, could be
entertained. Mr Mallon,
the Dtl Offr, ^{stated} was in his name
of 13th July 01, that the prayer

and a Remission Statement for Rs. 665-10-0

for the year 1900-1901, and to state
that this is a case similar to the one

Shimoga District Deputy Commissioner's
order No. 991, dated 27th February 1901, to
the Amildar of the Shimoga taluk,
Gundappa had reason to hope that
one half of the arrears due by him,
would be remitted. Gundappa alleges
in his petitions that the then Deputy
Commissioner Mr. Kunjundaiya told
him that as the whole of the loss was
sustained by him up to the end of
February 1901 viz. Rs. 1331-4-0, could
not be remitted, he should pay up
one half of it; and that accordingly
he paid Rs. 665-10-0, leaving a balance
of Rs. 665-10-0 which was promised to
be remitted.

3. It will be seen from Memo.
No. 117, dated 13th July 1901, of Mr. Nathan
Excise Divisional Officer, which is on
the accompanying file, that the total
loss sustained by Gundappa on
account of Plague, up to the end of
June 1901, was Rs. 1574-15-4 excluding
cost of establishment and other charges.
On this the present Deputy Com-
missioner also has favorably considered
Gundappa's application for remission.

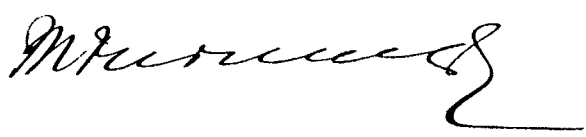

4. This is the last case of its kind.
I have issued orders that no
remission

remission should be promised or recommended except on the ground of loss owing to the prohibition of gatraas or fairs.

5. I beg that in the present instance the outstanding balance of Rs. 665-10-0 may be permitted as a special case.

Sir,

I have the honor to forward herewith for sanction of Government a remission statement in favour of Arrack vend renter Gundappa together with a file of Canarese correspondence connected with it.

2. Gundappa rented the right of vend of Arrack in the marginally noted shops in the Shimoga town for 1900-1901 at Rs. 3195 a year. He paid his monthly rental regularly till September 1900 in the latter part of which month plague put in its first appearance here. Inhabitants of Shimoga leaving the place for fear of the epidemic, consumption of Arrack fell very low causing great loss to the renter Gundappa. From October 1900 to February 1901 the consumption of Arrack

1. Katagarkeri
2. Tirupalayana gudi
3. Barber's street

Arrack in these shops amounted to only 286 gallons yielding, at Rs. 1-3-8 per gallon, to the renter only Rs 351-8-8 exclusive of the cost of establishment. For the same period the rental due was Rs 1331-4-0.

3. From the above it is clear that the renter has suffered actual loss of Rs. 979-11-4. When Gundappa represented the above circumstances to me, I asked him to pay up half the rental due from him for the period October 1900 to February 1901 which he has done.

4. I request therefore that the other half of the amount amounting to Rs. 665-10-0 may be ordered to be written off the accounts in consideration of the loss sustained by him.

that the representation made by
Gundappa for a remission of one

was favourably entertained by
him. After my coming to this
District I made enquiries into
the matter of the recovery of the
amount due by Gundappa and found
that

that he had actually sustained heavy loss, I therefore recommended the remission of the amount which remained unpaid by him.

regarding the remission claimed by Horatigere Gundappa, late Drack Contractor, Shimoga Town, I have the honor to state that on the outbreak of Plague in Shimoga

Shimoga in the year 1900-1901
most of the drinking classes
encamped themselves in jheds on
the plain near Burgigudi. To put
their convenience and to relieve
the contractor from loss, one of his
